INSTRUCTIONS

1

Imprimez toutes les pages

Astuce écolo-pratique : imprimez directement en recto-verso si vous le pouvez !

Print all the pages

Eco-practical tip: use two-sided printing if you can!

2

Collez les RECTO avec les VERSO correspondants

Stick the RECTO with the matching VERSO

3

Découpez les lignes pointillées

Cut on the dashed lines

4

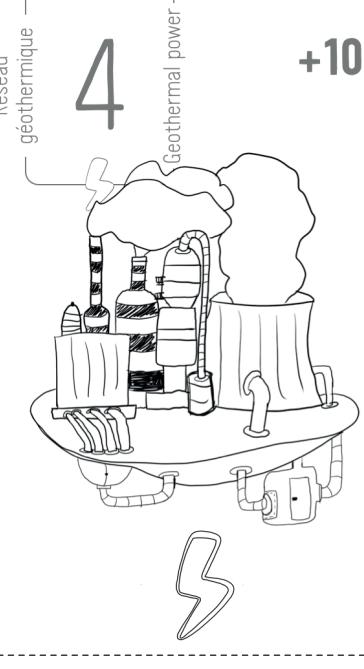

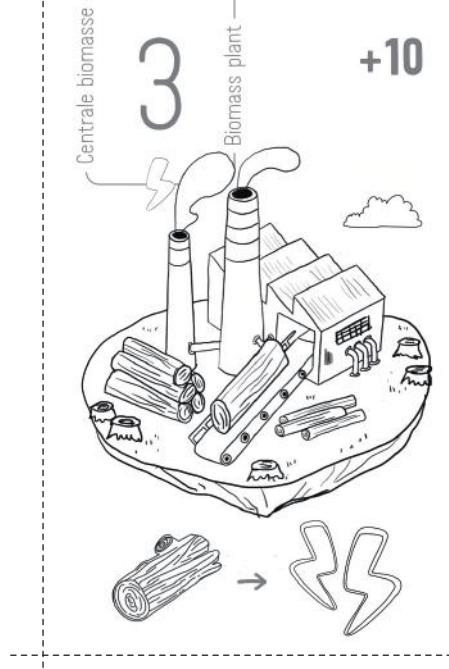

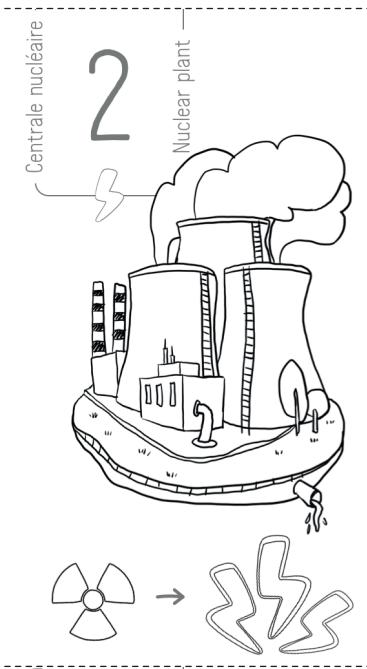

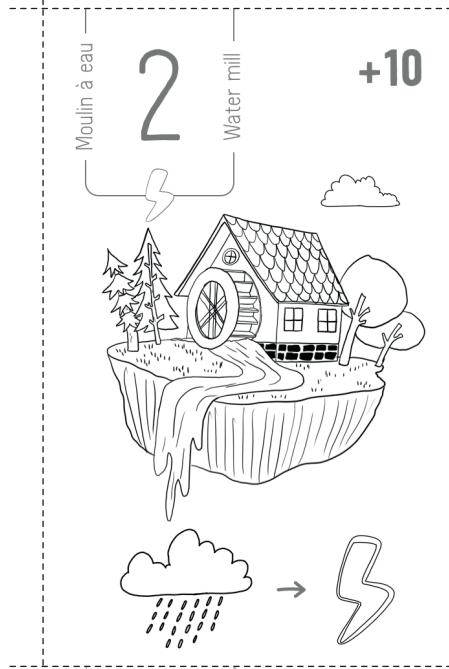

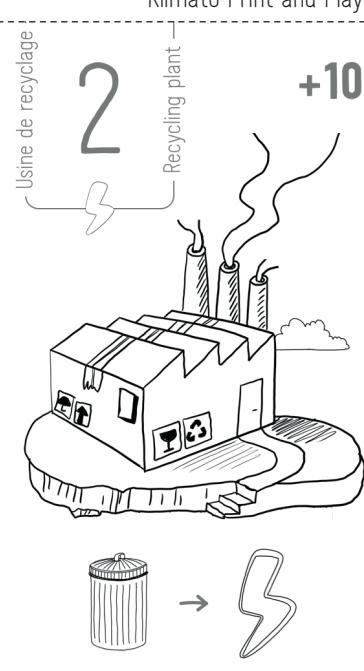

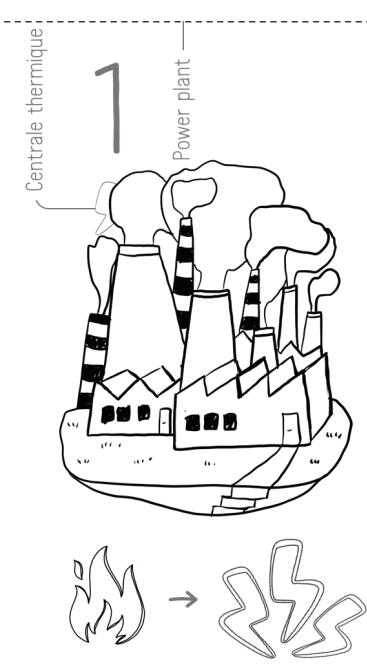

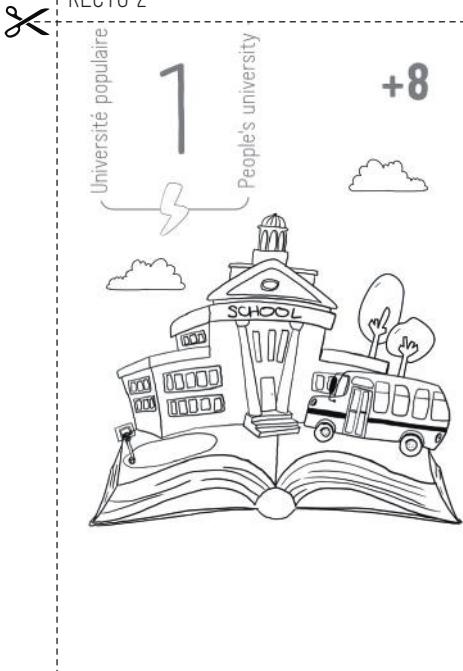

Sauvez la planète !

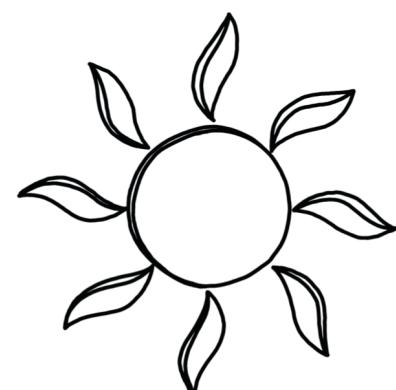

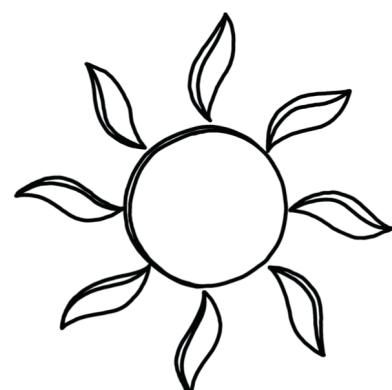

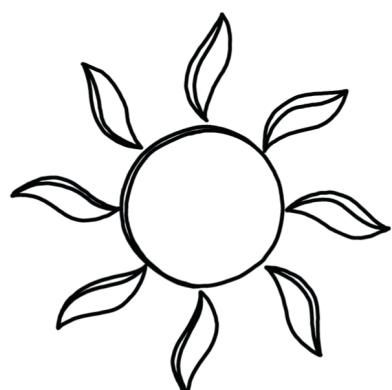

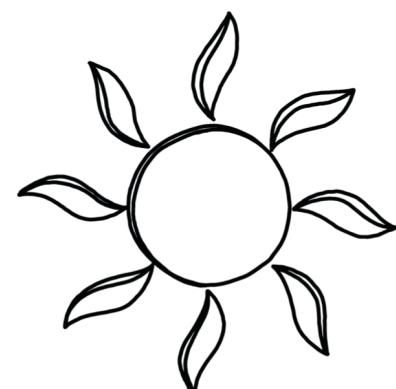

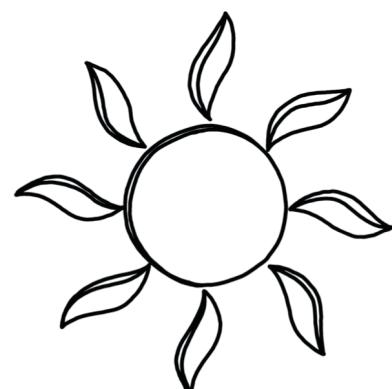

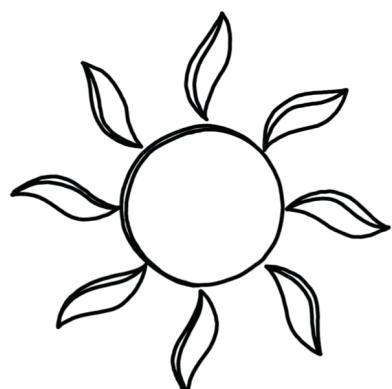

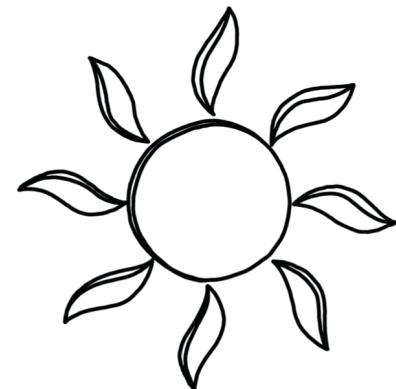

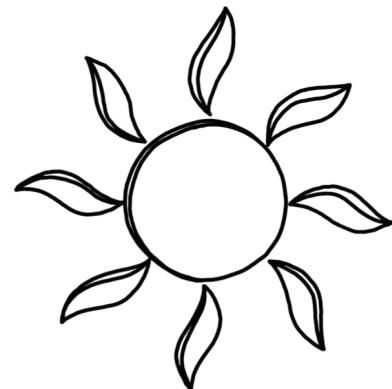

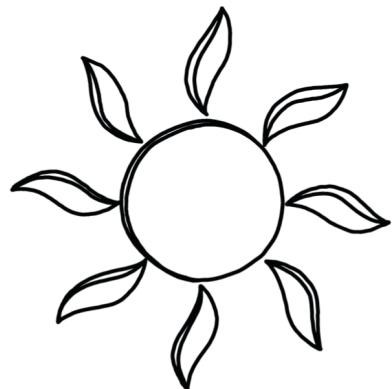

Save the planet!

VERSO 1

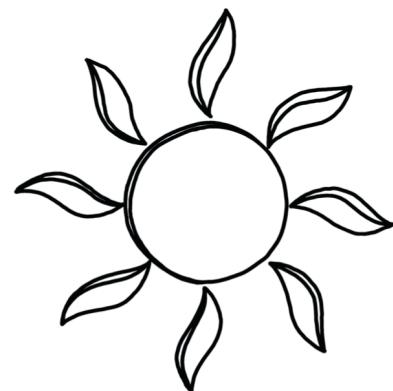

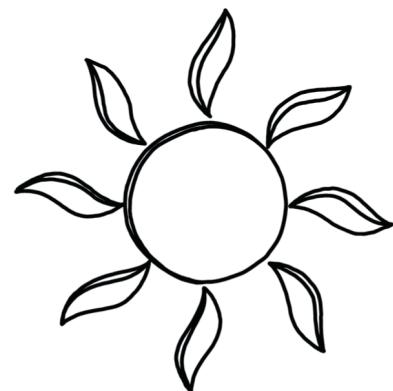

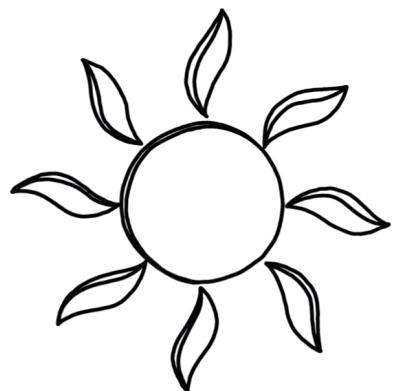

Klimato Print and Play 1.3

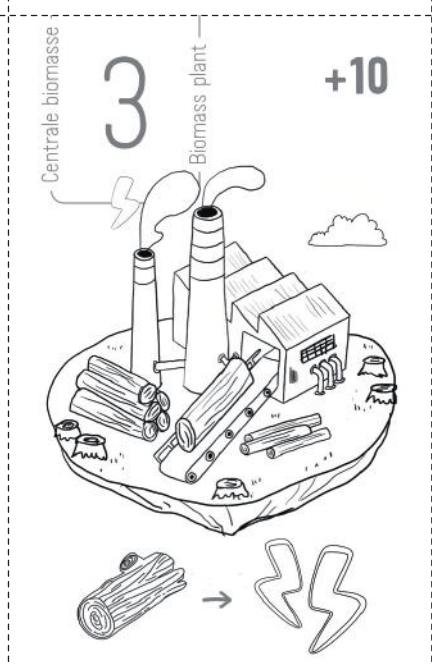

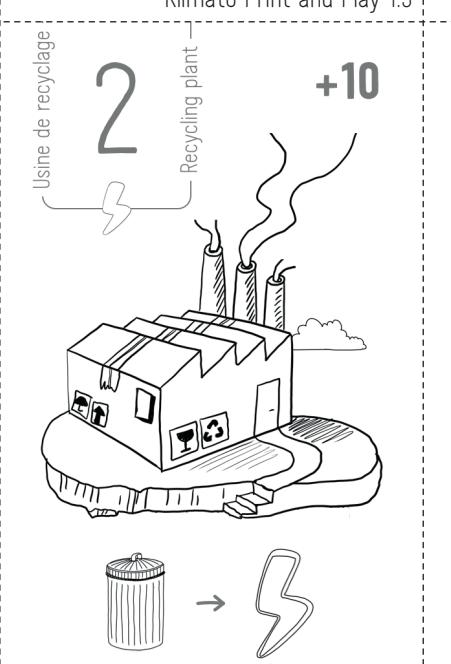

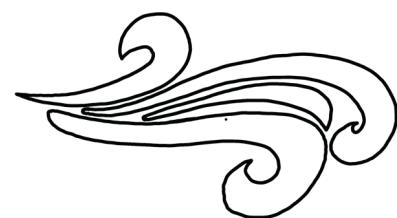

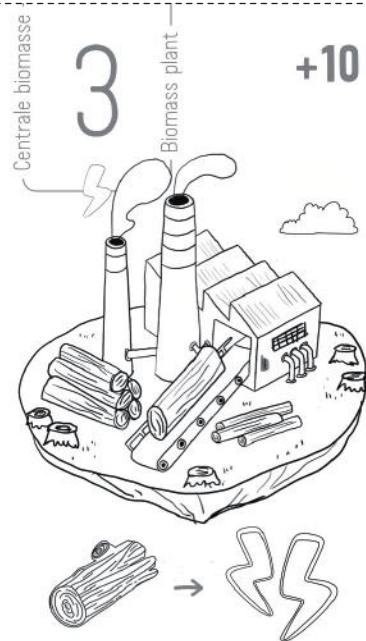

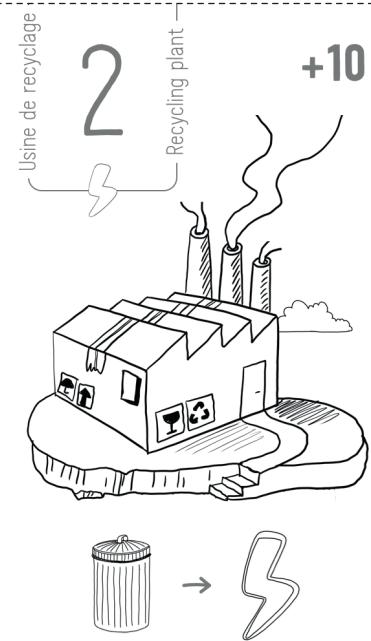

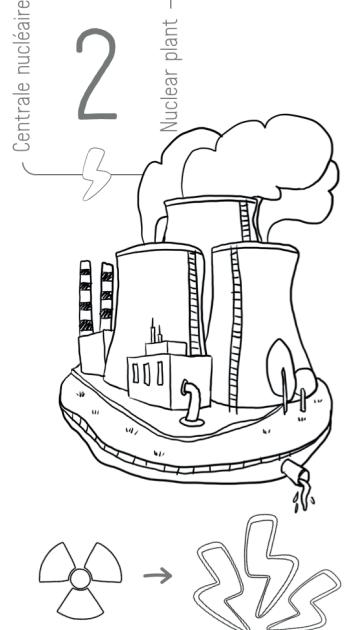

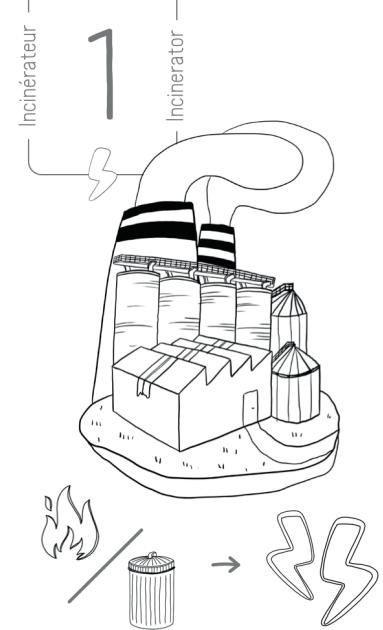

CO_2	TOTAL	Aucun effet. No effect.
0		
1		
2	Remettez les bâtiments du marché sous la pioche météo et tirez-en 6 nouveaux. Put back the buildings of the market under the meteo pile and draw 6 new ones.	
3		
4		
5		
6		
7	Perdez toutes et tous un bâtiment de votre choix. You all lose a building of your choice.	
8	Fin du monde, fin du jeu ! End of the world, end of the game!	

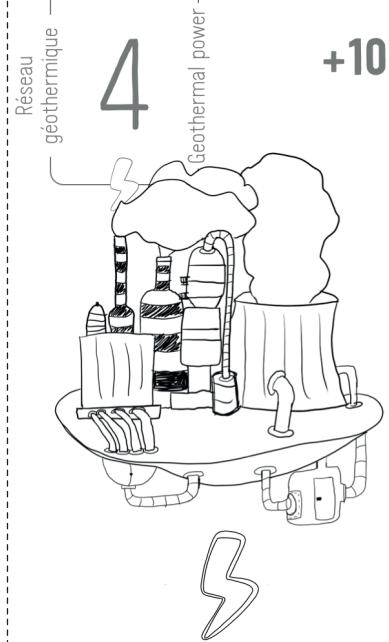

La ville avec le plus de déchets radioactifs enterrés perd une centrale nucléaire de son choix.

The city with the most buried nuclear waste loses a nuclear plant of its choice.

Plus de centrale nucléaire ?
Pas d'effet.

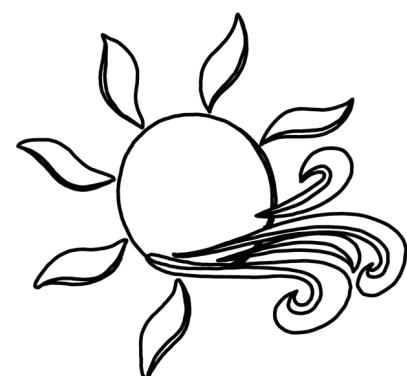

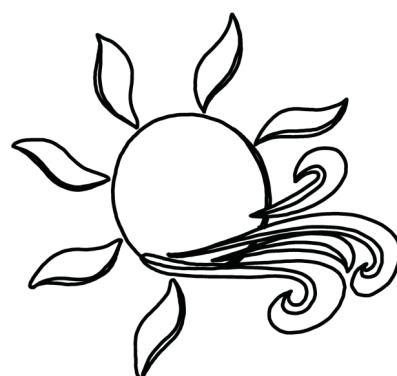

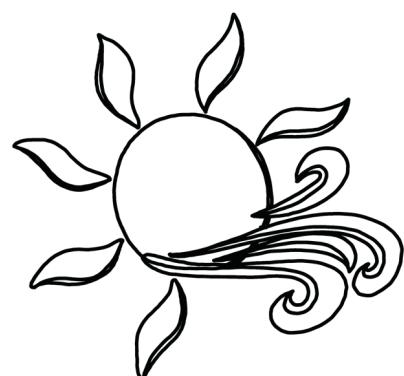

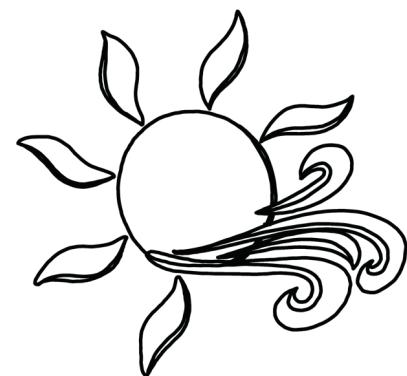

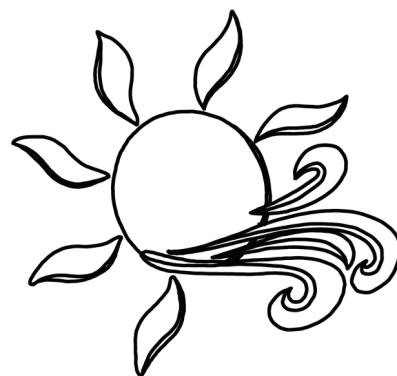

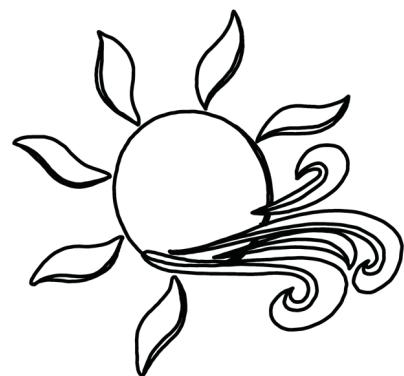

No more nuclear plant?
No effect.

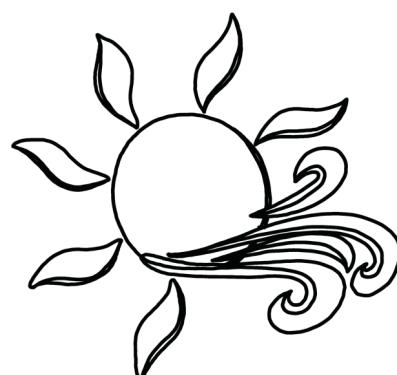

Retirez de la pioche bois autant de cartes que le nombre total de CO_2 émis.

Remove from the wood pile as many cards as the total number of CO_2 emitted.
